### R&B CANOLA OIL

#### TYPICAL PROPERTIES

Our **R&B Canola oil** is a high quality, refined oil produced from Australian Canola by mechanical and chemical processing. The product is certified to HACCP, ISO 14001, AS4801 GMP, Kosher and Halal

The product has the following physical properties:

Appearance:	clear yellow to light brown liquid
Acid value:	< 0.5 mg KOH/g
Moisture content:	<0.25%
Iodine value (Wijs):	110-126
Density (25°C):	0.910-0.916g/cc

#### APPLICATIONS

**R&B Canola oil** is a high quality oil for industrial applications. It is commonly used as a lubricant either neat or as part of a formulation. **R&B Canola oil** is also used in agricultural preparations and as a component in industrial chemicals.

#### PACKAGING AND STORAGE

**R&B Canola oil** is generally packed in 200 litre steel drums or 1000 litre IBCs, however alternative packaging or bulk shipment is easily arranged. Packaging must be resealed after opening to ensure maximum shelf life, which is expected to exceed 12 months. We recommend testing prior to use for product greater than 12 months old.
